

How to - Miniature Making

Materials:

- Paddle pop sticks
- match sticks
- hot glue gun
- hot glue sticks
- paint, markers, sequins and other assorted decorations.

Daybed

Take 4 paddle pop stick, and cut the rounded ends off 2 of the sticks, these shorter sticks will form the shorter sizes of the daybed. Lay the 2 uncut sticks parallel vertically, with the 2 shorter sticks horizontally on top.

Place a dab of glue in each corner to join all corners. Take 2 more uncut sticks and glue them on top, vertically and spaced evenly apart. Repeat the steps to create canopy
